Please read these directions in their entirety and complete the application as thoroughly as possible.

OVERVIEW:

The purpose of the Dawes County Grant Program is to provide funding that improves/creates and promotes visitor attractions to Dawes County. The funds are available on a grant basis and provided from lodging tax revenue funds. Lodging tax funds are collected based on Nebraska Visitors Development Act Statute 81-3701 through 81-3724. These funds are for promotion, capital improvements to attractions or recreational facilities to attract visitors to and within Dawes County that are owned by the public or any nonprofit organization.

Grant funding is available in two different categories:

1. **Improvement Fund:** Used for expanding and improving facilities at any existing visitor attraction, acquiring or expanding exhibits at existing visitor attractions, constructing, expanding, or improving visitor attractions. Improvement grant requests are available in two categories: Minor Grants under \$5,000 and Major Grants of \$5,000 and over.
2. **Promotion Fund:** Used generally to promote, encourage, and attract visitors to Dawes County and use the travel and tourism facilities within the county.

This is a reimbursement grant program. Funds will be available after event completion or project is substantially completed (as determined by the DCTB). Copies of paid receipts, advertisements, mailings and completed final project report must be submitted to the Northwest Nebraska Tourism Director, Kristina Harter. Chadron Visitors Center, P.O. Box 746, Chadron, NE 69337 or hand delivered to 706 W. 3rd St., Chadron, NE 69337.

This grant is valid for one year from date of approval. An extension may be requested and may be approved on a case-by-case basis.

anticipated effectiveness of proposed use. Higher consideration may be given to new events or projects over repeat projects.

The report form must be thoroughly complete and should outline if project objectives were met. If objectives were not met, explain the circumstances. Failure to comply with this guideline will result in partial or complete withdrawal of funding. Design concepts will be included with application for printed material or posters.
3. Promotion grants should focus on bringing people into the Dawes County area for multiple days. Higher consideration will be given to grants that use innovative outreach and advertising to accomplish that goal.

Improvement Grants

1. For improvement grants over \$5,000, a permanent acknowledgement will be placed somewhere within the facility recognizing the **Dawes County Travel Board** for assisting with the project.
2. Multi-year projects must provide an annual progress report to the Dawes County Travel Board.
