**OVERVIEW:**

The purpose of the Dawes County Grant Program is to provide funding that improves/creates and promotes visitor attractions to Dawes County. The funds are available on a grant basis and provided from lodging tax revenue funds. Lodging tax funds are collected based on Nebraska Visitors Development Act Statute 81-3701 through 81-3730. These funds are for promotion, capital improvements to attractions or recreational facilities to attract visitors to and within Dawes County that are owned by the public or any nonprofit organization.

Grant funding is available in two different categories:

1. **Improvement Fund:** Used for expanding and improving facilities at any existing visitor attraction, acquiring or expanding exhibits at existing visitor attractions, constructing, expanding, or improving visitor attractions. Improvement grant requests are available in two categories: Minor Grants under \$5,000 and Major Grants of \$5,000 and over.
2. **Promotion Fund:** Used generally to promote, encourage, and attract visitors to Dawes County and use the travel and tourism facilities within the county.

**This is a reimbursement grant program.** Funds will be available after event completion or project is substantially completed (as determined by the DCTB). Copies of paid receipts, advertisements, mailings and completed final project report must be submitted to Discover Northwest, P.O. Box 746, Chadron, NE 69337 or hand delivered to 706 W. 3<sup>rd</sup> St., Chadron, NE 69337.

***This grant is valid for one year from date of approval. An extension may be requested and may be approved on a case-by-case basis.***

**CRITERIA FOR ASSISTANCE:**

**Both Grants**

1. Grants are available only to public, non-profit or not-for-profit organizations; see each category of grant for specifics. Proof of non-profit status may be requested.
  - **Exception:** One category of Promotion Grants is not limited to public or non-profit organizations. See Promotion Grant Guidelines.
2. The grant candidate is responsible for obtaining any required local and state licenses and permits.
3. The **complete project cost and a budget worksheet** must be included in the grant application along with contractor bids, if necessary, as determined by the Travel Board.

4. Grants are discretionary, based on available funds, anticipated uses, appropriateness, and anticipated effectiveness of proposed use. Higher consideration may be given to new events or projects over repeat projects.
5. If lodging information is sent out, all lodging facilities in Dawes County must be listed. A complete listing of lodging facilities is available at the Chadron Visitors Center or [www.discovernwnebraska.com/lodging-3](http://www.discovernwnebraska.com/lodging-3).
6. Final project report must be submitted to the Northwest Nebraska Tourism Director no later than 30 days after the event or completion of the project. The report form must be thoroughly complete and should outline if project objectives were met. If objectives were not met, explain the circumstances. The report will also include copies of all paid receipts. No money will be released until the final report or the annual progress report is presented and approved. No money will be released beyond those expenses documented by **paid receipts**.

### Promotion Grants

1. Promotion grants applications with the intent of promoting an event, must be submitted to the Tourism office at least **two months prior** to the date of the event. Applications submitted to the tourism office less than two months prior to the event but in a timeframe that allows for board consideration one month prior to the event will be considered but may be penalized. The Dawes County Travel Board will recommend disapproval of all other late applications.
2. All print material, radio advertising, websites, posters, and other forms of advertisements must use the credit line, "Produced in part by a grant from the Dawes County Travel Board." Failure to comply with this guideline will result in partial or complete withdrawal of funding. It is strongly encouraged that design concepts for printed materials or posters be included with application.
3. Promotion grants should focus on bringing people into the Dawes County area for multiple days. Higher consideration will be given to grants that use innovative outreach and advertising to accomplish that goal.
